Bentley Projects

who we are

Bentley Projects stands at the center of historic downtown Phoenix, just a few blocks south of Chase Field and the Phoenix Convention Center. This critically acclaimed art gallery has 22,000 square feet of interior gallery space exhibiting a changing roster of contemporary painting and sculpture by internationally recognized artists, as well as masterworks from the mid- and late-20th Century. Bentley Projects is a sister to Scottsdale's renowned Bentley Gallery, one of the longest running contemporary art galleries in Old Town Scottsdale.

Originally a commercial linen laundry dating back to 1918, the renovated warehouse building features distinct architectural details such as original brick-work, soaring ceilings with exposed wood bow-truss beams, floating white gallery walls and versatile poured concrete floors.

The facility functioned as a laundry until 1999. Then, after extensive renovation including work by the architectural firm Allen+Philp, Bentley Projects formally opened as a gallery and multi-use space in 2004. Soon afterwards, by popular demand, the gallery began hosting special events for clients looking for a creative and exclusive event venue.

Bentley Projects Gallery 3

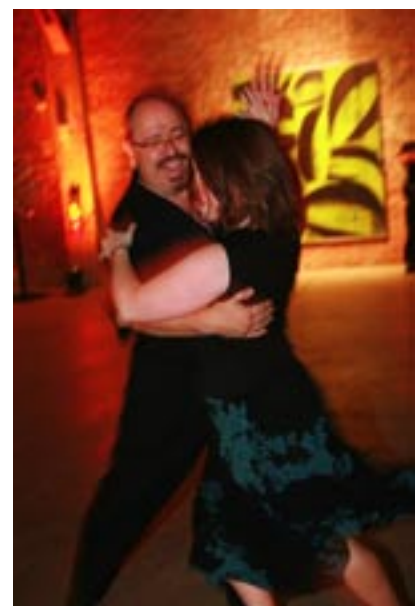

Unlike any other facility in the Valley, Bentley Projects offers a setting where beautiful museum-quality artwork and stunning architecture provide the backdrop to your unique personal or corporate event. You decide on your event style: black-tie sophistication or urban/casual; a multi-course formal dinner reception or fun cocktails and food stations; enjoying the existing gallery setting or bringing in additional decor items for a specific event theme.

Whether your event is for 50 or 500 guests, this ADA accessible facility can transform to fit your individual needs, personality, budget and vision.

Create a masterpiece at Bentley Projects -- your extraordinary special event.

Bentley Projects / 3rd Street Exterior

your event

Every event at Bentley Projects is truly distinctive. Our concrete floors allow food and beverage throughout the multiple gallery rooms, and we can position live music and a dance area in just about any spot. Your desired theme and style is easily created with a few personal touches -- the gallery is already "decorated" with a magnificent variety of exhibited artwork.

Bentley Projects is the ideal location for:

- holiday parties
- awards banquets
- fundraisers
- political events
- birthdays / anniversaries
- wedding ceremonies / receptions
- rehearsal dinners
- brunches / luncheons
- corporate meetings
- workshops
- client appreciation dinners
- wine tastings
- product launches
- film / photo shoots
- fashion shows
- trade shows
- book signings

Please note: Bentley Projects is not able to host children's events. In general, it is recommended to ask that guests do not bring children into the gallery rooms. If a child must attend, he or she must be supervised by an adult at all times or will be asked to leave. This policy is in the interest of protecting both our exhibited artwork and our event clients from possible damages to the gallery.

The gallery is conveniently located within 2 miles driving distance to a number of downtown Phoenix hotels, some with shuttle service for group stays. For guests staying in other parts of the Valley, the gallery is easily reached from I-10 and I-17 downtown freeway exits. And, with the Phoenix Convention Center less than a mile away, Bentley Projects is perfect for off-site convention events.

catering

Mac n' Cheese Appetizers

Bentley Projects is partnered with a select group of full-service caterers. We have carefully chosen these caterers based on their commitment to the highest levels of professionalism and their fantastic cuisine.

Your selected caterer will create a custom food and beverage menu for you based on your preferences and event style, coordinate furniture rentals, and can arrange other specialty items. Each caterer has created a number of events at Bentley Projects and knows our floor plan and policies. Please contact the caterers directly for menu ideas and cost estimates.

Both your selected caterer and Bentley Projects can make recommendations for other vendors such as florists, live music, photographers, and wedding coordinators. You are welcome to use your preferred vendor for these additional services.

Parking and Valet

The gallery's private parking lot has 85 parking spaces for your event use. Valet parking service is optional at additional cost based on your guest count. If you choose to have valet service, Bentley Projects will make arrangements with our exclusive valet and the valet fee will be added to your facility rental fee.

For events needing additional parking spaces, Bentley Projects can arrange for you to rent adjacent parking lots (based on lot availability). When using the additional parking lots, either valet parking service or traffic attendants can be arranged through Bentley Projects to direct guests where to park.

Security

Bentley Projects has a required security fee for each event, which enables us to have hosted alcohol service in the gallery, and which also is in the interest of the comfort of your guests and safety of our exhibited artwork. We work with a select group of off-duty Phoenix Police Department officers to provide this security. Bentley Projects will arrange for the required officers, and the security fee is based on one officer per 100 guests with a minimum of two officers on site for your event.

Insurance

Each event client must provide a certificate of insurance naming the gallery as an insured location for the date/s of the event, with minimum \$1,000,000 general liability and host liquor coverage. Some homeowner's insurance policies will extend this coverage, or you can acquire a single-use event insurance policy from a number of on-line sources.

Audio / Visual

The gallery is equipped with an in-house audio system perfect for playing background music from your iPod, and an in-house wireless microphone system for your use. Projectors and projection screens of any size can be easily brought in.

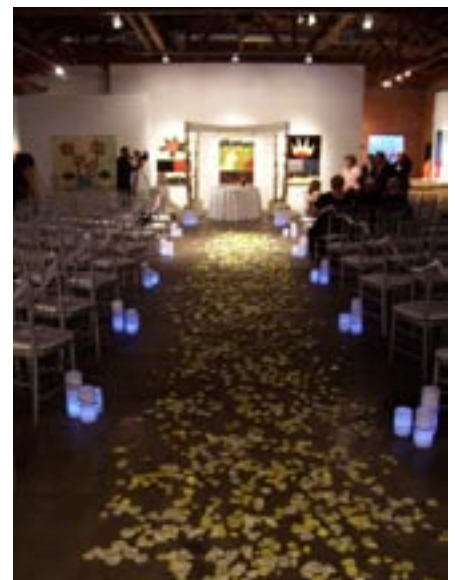

weddings

For couples looking for a non-traditional venue, Bentley Projects is a fantastic place to have a rehearsal dinner, wedding reception, or wedding ceremony and reception.

Bentley Projects does not have wedding packages. Instead, we offer the flexibility of designing your own wedding- as simple or elaborate as you like - by using the natural flow of the gallery rooms to fit your wedding details. Having a wedding coordinator is strongly recommended, especially if you are planning to have both your ceremony and reception in the gallery. Both your selected caterer and Bentley Projects can recommend excellent wedding coordinators, as well as other vendors such as florists, photographers, live music, and officiants.

The gallery does have a small dressing area, but many of our wedding couples take advantage of our close proximity to downtown hotels to prepare before arriving at the gallery, as well as for group room bookings. Staying at a nearby hotel also has the benefit of being an after-party option for guests wanting to extend the celebration after the reception at Bentley Projects.

the buzz about Bentley

The former warehouse has the airy feeling and concrete floors of a SoHo-style gallery, and the big-name artists to go along with it.

The Arizona Republic

This gallery is ideal for extravagant galas or intimate cocktail parties.

Contact Magazine: Top Ten Places to Host a Party

Located in a warehouse district south of the ballpark, the new art space's inaugural exhibition was so impressive it was heralded by New York's venerable ArtNews. And the praise was well deserved... Bentley's roster would be envied by any contemporary art museum.

Phoenix Magazine

Imagine walking down the aisle amidst the brilliant colors of original art, having cocktails surrounded by the urban elements of brick walls, cement floors and beautiful windowlight, enjoying your guests in the sculpture garden. Imagine a wedding that is out of the box and decidedly you...

Marcia The Art of Photography

The contemporary architecture, gallery divisions, striking sculptures and colorful paintings generated "oohs" & "ahs" from our guests without an "ouch" to the budget. Everyone felt comfortable moving about to mingle, dance, or just take in the art. In addition, the event director did an exceptional job of coordinating the pieces to assure a smooth, wonderful evening unfolded for everyone - the bride & groom, family, friends and vendors.
